

Sponsor A Child

Make this holiday a memorable one for a local child in need.

Sponsor a child: Every year Christmas Wishes Ulster County runs an adopt a child or family program, for the holidays for local families in need. We work with other organizations and community to get all of the kids “sponsored”. Each child or family makes a list of needs and wants and sends to Christmas Wishes by 11/30/17.

Getting Involved: Individuals or businesses can sponsor a child or family with gifts for the holidays. Gifts can include clothes, toys, etc. We ask gifts to be dropped unwrapped to our location at Tech City at 200 Enterprise Dr, Kingston, NY 12401 between 12/10-12/13. (more details to follow once you contact us) Monetary donations are also accepted, as we will do the shopping for you with that donation.

Together, we can make a difference! Contact Us!
